**Social Media blurb for game to be held 14/8/21:**

To all Mitiamo and Bridgewater Football Netball Club members, players and supporters

We would like to inform everyone about the requirements for this Saturdays games to ensure the day runs smoothly and we are abiding by the current COVID restrictions.

Unfortunately, if you are not required to be at the match, please do not come ... spectators are not permitted.

You are allowed to enter the ground if you are a player, a parent or guardian of a child playing (one parent only), a coach, trainer, working in the canteen, an umpire, scoreboard attendant, runner or have another rostered role to perform on the day. Usual entry fees will apply and a limited canteen will be on offer.

All attendees over the age of 12 must always wear a mask as per the current DHHS requirements, other than while playing or unless an exemption applies. Attendees will all be required to check into the ground via the Service Vic App and QR code – a Covid Officer will be wearing a purple vest and be available to assist with this process if required. Social distancing and gathering regulations must be adhered to.

We must stress, it will be a 'GET IN, PLAY, GET OUT' directive as games begin and conclude throughout the day. For example, reserves players will be required to leave following the conclusion of their match and will not be able to spectate the Senior game unless they have a rostered job that requires them at the venue.

We understand this will be an inconvenience to a lot of our members, parents, sponsors and supporters, but it will be greatly appreciated by the Club if people can abide by these rules that allow us to continue to play.

We thank everyone for their understanding and look forward to a great day.

Thankyou
